

Community Directory

Advice for Contributors:

The information you include in questions 1 and 2 will appear in our public directory which will appear on our website. Information provided on questions 3, 4 and 5 will also be included in the public directory in an edited form. All other information gathered will be kept in our internal database to enable us to keep in touch with relevant information and opportunities and will not be made public

If you would like to share your groups contacts details with us but would prefer if they did not appear in the public directory please let us know in question 7.
